

Enhance your skills to treat and support victims of **BULLYING.**

An innovative 2-day training program.

- How many of your students suffer from the negative impacts of bullying
- each day?

Strengthen your counseling toolbox with The Empowerment Space Curriculum to help students who have been bullied.

This 2-day training program on addressing bullying will:

- Contain streamlined material to specifically address kids and teens between the ages of 10-17 who have been bullied.
- Introduce a 10-week program that includes individual, family, and school engagement.
 - Help kids address and handle bullying themselves.
 - Provide tools for teaching positive coping skills.
 - Help promote positive self-esteem.
 - Help decrease negative thoughts, depression and anxiety.
